French Bishops voice concern over end-of-life law, weigh legal options

The French National Assembly gave final approval on Wednesday evening, 15 July, to legislation establishing a legal right to assisted dying. Throughout the four years of debate leading up to the vote, the Catholic Church opposed the measure, maintaining that one human being should not intentionally cause the death of another. By Jean-Charles Putzolu

Shortly after the law was definitively adopted on Wednesday evening, the Catholic Church in France expressed regret over what it described as a choice that breaks with the country's long tradition of healthcare, whose mission is to relieve suffering and accompany every person until the natural end of life.

El Papa: Se da testimonio de Dios compartiendo bienes materiales y espirituales

En una carta con motivo del 70.º aniversario de la Conference of Major Superiors of Men de Estados Unidos, León XIV exhorta a los institutos religiosos a ofrecer un testimonio «unido, gozoso y auténtico», considerando la vida comunitaria como «lugar de santificación y fuente de inspiración»

Edoardo Giribaldi – Ciudad del Vaticano

Compartir «todo»: desde los bienes materiales hasta los valores y los ideales espirituales, que a su vez se plasman en acciones de caridad concreta. Una apertura que da testimonio de una unidad auténtica y alegre, devolviendo a la vida comunitaria su naturaleza de «lugar de santificación». Este es el aliento que el Papa León XIV ofrece a la Conference of Major Superiors of Men de Estados Unidos en una carta con motivo del 70.º aniversario de su fundación, publicada hoy, 22 de julio. Fue leída por el nuncio apostólico en EE. UU., Gabriele Giordano Caccia.

Jornada de los Abuelos: Transmitamos la ternura de Dios a cada anciano

La religiosa Rosa Parra, de las Hermanitas de los Ancianos Desamparados, destaca la importancia de acompañar a las personas mayores con cercanía, empatía y respeto, atendiendo sus necesidades físicas y espirituales. Ante la cultura del descarte y el riesgo de la soledad, invita a reconocer en cada anciano a un hijo de Dios, valorar su sabiduría y promover el encuentro entre generaciones. Sebastián Sansón Ferrari - Ciudad del Vaticano

En una sociedad marcada por las prisas, la tecnología y el culto a la juventud, las personas mayores pueden experimentar con frecuencia la soledad o la sensación de haber quedado al margen. Frente a esta realidad, la hermana Rosa Parra, de las Hermanitas de los Ancianos Desamparados, invita a recuperar el valor de la presencia, la escucha y los pequeños gestos de cercanía.

Pope: Do not forget those most in need during the summer

In the July/August edition of the Piazza San Pietro magazine, Pope Leo XIV responds to a letter by an Italian man asking how to enrich his faith during the summer season. The Pope highlights the importance of living out the Gospel of peace and mercy and not forgetting those who are suffering.

By Isabella H. de Carvalho

Pope Leo XIV encourages Christians not to forget about the sick, the elderly and those who are suffering during the summer season, in the July/August edition of the Italian magazine, [Piazza San Pietro](#).

The Pope was responding to a letter sent by Maurizio from Rome, who asked how he can live the summer months in a way that deepens and enriches his faith.

How to nurture our spirituality in a frenetic world

In his letter, Maurizio highlights the current turbulent times affected by wars and instability but also by a world that is “faster and more efficient than ever, but often superficial and distracted.”

“I often wonder how it is possible to live and nurture a more conscious and authentic spirituality—one that can translate into concrete acts of love and responsible respect for others,” Maurizio reflects.

He tells the Pope that as the summer holidays approach, he wants to live them not only as a period of rest but also as a moment to “rediscover a deeper dimension” of his inner self, in order also “to rediscover an authentic space for encountering God the Father.”

Maurizio thus concludes the letter by asking the Pope for his thoughts and advice on this.

From The Pastor

“Give your servant, therefore, an understanding heart to judge your people and to distinguish right from wrong.” 1 Kings 3:5,7-12

Dear Brothers and Sisters:

Today's Gospel is a continuation of the parables on the mysteries of the Kingdom of God. This should enkindle a desire in our hearts to be partakers of this inheritance and to use our time and treasures on earth more wisely. Today I lift my prayer to God the highest to grant us the grace to be able to distinguish between right and wrong, true and false, good and evil.

Like Solomon, we have a great responsibility to guide the people God and wisdom in speaking and discerning is needed. As your servant I pray for an understanding heart, to judge rightly and justly, not according to my thoughts but God's will; to do what is pleasing to the Lord.

Every soul entrusted to us is a great responsibility. In comparison with other cathedrals and churches of the United States, we are a small community—but the responsibility is the same.

It is true that we have many needs, but I don't pray for riches or a long life for myself but for the salvation of your souls. Let us all pray for understanding.

Saint Augustine explored the heavy duties of a priest or shepherd of souls most famously in his **Sermon on Pastors (Sermon 46)** and his broader pastoral writings. He stressed that spiritual leaders must care deeply for their flock rather than themselves.

Core Responsibilities of a Shepherd

- **Care for the Vulnerable:** Pastors must strengthen the weak, heal the sick, bind up the injured, and seek out the lost or straying sheep.
- **Feed with Truth:** Leaders must nourish the flock with the truth of God and sound doctrine rather than seeking personal fame, comfort, or power.
- ****Persevere Despite Resistance**:** Even if members of the flock resist or wander off, the shepherd must chase after them with active, self-sacrificing love.

This is amazing, this is a great task, this is serious!

Accountability and Warnings

- **Christ is the True Shepherd:** Human priests only speak and feed effectively when they act through Christ's voice and love, serving as ministers rather than ultimate masters.
- **Danger of Neglect:** Augustine warned with fear and trembling that bad shepherds who ignore the suffering or straying of their people risk their own souls by staying silent or prioritizing comfort over the flock.

Now, after we have all been instructed in the mysteries of the Kingdom of Heaven, I ask you to work for the unity of the flock, to listen to the voice of Christ, and to be aware of the many dangers that we encounter in our search for truth. Persevere, truth will come to you! Do not be deceived by the lures of the enemy, pray for what is right and just, and pray for the good of others—even for those who do you wrong. I beg you to come back to the flock of the Lord and let the Lord bind up your wounds and heal you.

Do not give up on this mission for the salvation of souls. It is necessary to understand that the true seat of wisdom is humility. We need to realize that if our prayers are not being answered it is because we have not asked for the right thing. Again, I tell you do good and avoid evil and the God of love will grant you peace!

Pax.

Sincerely in Christ,

Fr. Alejandro Reyes Cardenas, Rector

Del Pastor

“Concede, pues, a tu siervo un corazón atento para juzgar a tu pueblo y para distinguir entre el bien y el mal.” 1 Reyes 3:5,7-12

Queridos Hermanos y Hermanas:

El Evangelio de hoy es una continuación de las parábolas sobre los misterios del Reino de Dios. Esto debe encender en nuestros corazones el deseo de ser partícipes de esta herencia y de usar nuestro tiempo y nuestros tesoros en la tierra con mayor sabiduría. Hoy elevo mi oración a Dios Altísimo para que nos conceda la gracia de poder distinguir entre lo correcto y lo incorrecto, lo verdadero y lo falso, el bien y el mal.

Como Salomón, tenemos una gran responsabilidad de guiar al pueblo de Dios, y se necesita sabiduría para hablar y discernir. Como su servidor, pido un corazón comprensivo para juzgar recta y justamente, no según mis propios pensamientos, sino conforme a la voluntad de Dios; para hacer lo que agrada al Señor.

Cada alma que nos ha sido confiada representa una gran responsabilidad. En comparación con otras catedrales e iglesias de los Estados Unidos, somos una comunidad pequeña, pero la responsabilidad es la misma.

Es cierto que tenemos muchas necesidades, pero no pido riquezas ni una larga vida para mí, sino la salvación de sus almas. Oremos todos por el don del entendimiento.

San Agustín exploró las grandes responsabilidades de un sacerdote o pastor de almas, especialmente en su **Sermón sobre los Pastores (Sermón 46)** y en otros de sus escritos pastorales. Él enfatizó que los líderes espirituales deben **cuidar profundamente de su rebaño y no de sí mismos**.

Responsabilidades Fundamentales de un Pastor

- **Cuidar a los más vulnerables:** Los pastores deben fortalecer a los débiles, sanar a los enfermos, vendar a los heridos y buscar a las ovejas perdidas o extraviadas.
- **Alimentar con la verdad:** Los líderes deben nutrir al rebaño con la verdad de Dios y la sana doctrina, sin buscar fama personal, comodidad o poder.
- **Perseverar a pesar de la resistencia:** Incluso si algunos miembros del rebaño se resisten o se alejan, el pastor debe ir en su búsqueda con un amor activo, sacrificado y perseverante.

¡Esto es impresionante, esta es una gran tarea, esto es algo serio!

Responsabilidad y Advertencias

- **Cristo es el Verdadero Pastor:** Los sacerdotes humanos sólo hablan y alimentan eficazmente cuando actúan a través de la voz y el amor de Cristo, sirviendo como ministros y no como dueños supremos.
- **El peligro de la negligencia:** Agustín advirtió con temor y temblor que los malos pastores que ignoran el sufrimiento o el extravío de su pueblo arriesgan sus propias almas al permanecer en silencio o al anteponer su comodidad al cuidado del rebaño.

Ahora, después de haber sido instruidos en los misterios del Reino de los Cielos, les pido que trabajen por la unidad del rebaño, que escuchen la voz de Cristo y que estén conscientes de los muchos peligros que encontramos en nuestra búsqueda de la verdad. Perseveren; ¡la verdad llegará a ustedes! No se dejen engañar por las seducciones del enemigo; oren por lo que es recto y justo, y oren por el bien de los demás, incluso de aquellos que les hacen daño. Les suplico que regresen al rebaño del Señor y permitan que Él venda sus heridas y los sane. No abandonen esta misión por la salvación de las almas. Es necesario comprender que el verdadero asiento de la sabiduría es la humildad. Debemos reconocer que, si nuestras oraciones no son respondidas, es porque no hemos pedido lo correcto. Una vez más les digo: hagan el bien y eviten el mal, y el Dios del amor les concederá la paz.

Pax.

Sinceramente en Cristo,

Pbro. Alejandro Reyes Cárdenas

Rector

THE PARABLE OF
THE HIDDEN TREASURE

MATTHEW 13:44

Jesus said,
“The kingdom of heaven
is like treasure hidden
in a field. When a man
found it, he hid it again,
and then in his joy
went and sold all he had
and bought that field.”

Matthew 13:44

The kingdom of heaven is very valuable.
It is worth more than anything else!

SAN PEDRO
CRISÓLOGO

DOCTOR DE LA IGLESIA

30 de julio

St. Peter Chrysologus, Bishop of Ravenna
and Doctor of the Church

A man who vigorously pursues a goal may produce results far beyond his expectations and his intentions. Thus it was with Peter “of the Golden Words,” as he was called, who as a young man became bishop of Ravenna, the capital of the empire in the West.

At the time there were abuses and vestiges of paganism evident in his diocese, and these Saint Peter Chrysologus’ Story was determined to battle and overcome. His principal weapon was the short sermon, and many of them have come down to us. They do not contain great originality of thought. They are, however, full of moral applications, sound in doctrine, and historically significant in that they reveal Christian life in fifth-century Ravenna.

Santo Pedro Crisólogo

Crisólogo significa: el que habla muy bien. Este santo ha sido uno de los oradores más famosos de la Iglesia Católica. Nació en Imola (Italia) y fue formado por Cornelio obispo de esa ciudad, por el cual conservó siempre una gran veneración. Este santo prelado lo convenció de que en el dominio de las propias pasiones y en el rechazar los malos deseos reside la verdadera grandeza, y que este es un medio seguro para conseguir las bendiciones de Dios.

Pedro gozó de la amistad del emperador Valentiniano y de la madre de este, Plácida, y por recomendación de ellos los dos, fue nombrado Arzobispo de Ravena (la ciudad donde vivía el emperador). También gozó de la amistad del Papa San León Magno.
